The patrons of our library have been unanimous in appreciation of the new stacks and the re-located charging desk, made possible by your vote last March. We thank you for your cooperation.

Each year we receive many valuable gifts of magazines and books, this year the number of books given has exceeded any other contributions. We are grateful to have such a valuable addition to our reference department.

A vote of thanks goes to Mr. Arthur Plante who continues the use of his store as a branch station.

It is of interest to note that this year more non-fiction books were borrowed than ever before; a substantial proof that our library is fulfilling its obligation to educate as well as to entertain its patrons.

Have YOU visited the library lately? If not please come in and let us know how we could be of service to you.

MAYE B. SAUNDERS,
Librarian.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Fitzwilliam:

I herein submit my sixth annual report as superintendent of schools.

The American system of public schools is today facing the greatest challenge of a century in the scholastic training of its youth during the formative period of life.

For half a century, to my knowledge, we have heard echoing down the stream of education the slogan "Back to the Fundamentals."

Admitting that this slogan has laid a firm foundation for our educational structure, and also that it is highly essential today, yet we note in the rapidly changing conditions of the world, greater emphasis must be placed on the preservation of American institutions.

Indeed, our pupils must drink more deeply and more freely from the fountain heads of Liberty and Freedom, viz. the Bill of Rights and Magna Charta of English history and from our own Constitution.

It may be true that the pupils under a dictatorship are as well trained in so-called fundamentals but they do lack the major part of that education which is needed for citizenship under our form of government. Democracy's slogan is onward to the most helpful conditions of living for the masses and of opportunities for participation in a democratic society. The founders of our republic believed education essential to the success of democracy. The experience of a century and a half in representative government confirms that belief so strongly that we may say without fear of contradiction that "Our public

schools are our first line of defense"; "Our education is the bulwark of the citadel of Liberty."

When the cataclism of arms in Europe has spent itself and we approach the world-wide renaissance of modern living, we must have our leaders prepared. They must be endowed with the highest type of citizenry, a type which implies the closest cooperation, supplementation and coordination of three vital elements of society, viz. the school, the home and the church.

History tells us that in all great emergencies the great bulk of leaders come from rural sections of the country. Let us hope that Fitzwilliam may furnish its quota.

REPORT OF THE SUPERVISOR OF MUSIC

To the Supt. of Schools.

The routine of class and chorus work has been followed as outlined in a previous report. In addition, classes for instrumental instruction have been carried on in school, under the teaching of Mr. Farr. It is lamentable that more pupils have not availed themselves of the opportunity of this training.

All schools have listened to the N. B. C. Music Appreciation Hour, conducted by Dr. Walter Damrosch, using the prescribed work sheets.

During the 1939 Christmas season, the pupils of the State Line School presented a Christmas operetta in the town hall. It was very successfully given and much credit is due Mrs. Mildred Smith, teacher in that school.

Last May, Fitzwilliam Junior High School (ninth grade), was represented in the New Hampshire High School Music Fes-

tival by Hattie Plante, who was a member of the 300-voice All-State Chorus. The Festival was held in Concord, May 11-13. The singers selected from Jaffrey, Troy and Fitzwilliam joined in weekly practises with their director. School assemblies were held in each of the three towns when the singers presented, from memory, each selection to be sung by the All-State Chorus.

In closing, I would express gratitude to the Superintendent, School Board and teachers for their hearty cooperation.

Respectfully submitted,
MILDRED WHITCOMB.

Respectfully submitted,
